

got an idea that will
change the world?

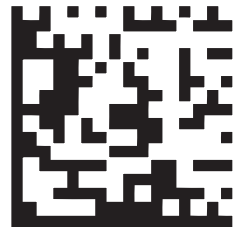

WE'VE GOT

\$100,000
to bring it to life.

The Thiel Foundation is awarding 20 people under 20 years old cash grants of \$100,000 to further their innovative scientific and technical ideas. Over a two-year period, the Thiel Foundation's network of tech entrepreneurs and philanthropists—veterans of organizations such as Facebook, Paypal, and the Singularity Institute—will support and mentor the fellows about creating disruptive technologies and bringing their vision to life.

teams of up to 4 persons may apply applicants must be under 20 as of 12/15/10

20UNDER20.org

Applications must be submitted by **December 31, 2010.**

The first fellowships will be announced in **January 2011.**
