

## **Electrical Engineering Info. Session: Daytime Graduate Programs**

Are you an Engineering, Math or Physical Sciences student interested in graduate school in Electrical Engineering? If so, please join us to learn more about the daytime MSEE and PhD in EE programs. Current EE graduate students and advisors will be available to answer questions!

**Tuesday, February 9, 2016, 5:00pm**  
**Electrical Engineering Building, Room EEB 303**

Learn about:

- Admissions
- Master's vs. Ph.D.
- Degree Requirements
- Research Groups
- And more!
